GRAND TOTALS		

*Live training hours and practicum hours refer to traditional, in-person, in real-time, without the use of electronic media, such as Zoom, pre-recorded videos or other digital formats.

PART V: SUPERVISED EXPERIENCE

Each applicant must complete a supervised year of experience applying the theory and methods of psychodrama, sociometry and group psychotherapy. The supervised experience practicum must be current and cannot be more than four years from the date of application for certification. The applicant must direct a minimum of 80 sessions (i.e., Individual, Couples, Family & Groups). A majority of these sessions (41) must be group sessions. The applicant must obtain a minimum of 40 supervision sessions (each a minimum of 50 minutes) for these sessions (a ratio of one supervision session for every two directed sessions). A minimum of 1/2 of these supervision sessions must be provided by a TEP. Supervision sessions provided by Non-TEPs must be approved in advance by the primary trainer.

Attach a description of your supervised experience.

Describe each service (e.g., an ongoing client, or an ongoing group) or single session (a one-time event). One paragraph is sufficient information for each service. For each service provide the following information:

- Date(s) of Service
- Type of Service (e.g., individual, couple, family or group)
- Population Served
- Goals & Objectives for your work with this population, including expected outcomes
- Evaluation Measures employed to determine outcomes
- Specific psychodramatic, sociometric and other experiential methodologies (i.e., assessment and interventions) used in your work with this population. Describe how these methodologies relate to the goals and objectives of the service.
